Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Saturday 11 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rather cloudy, showery start. Turning brighter from west later.

Today:
Rather cloudy for much of the day with occasional showers. Gradually dry and brighter conditions spreading erratically from the west from mid-afternoon, with showers becoming largely confined to Antrim and Down by early evening. Maximum temperature 20 deg C (68 deg F).

Tonight:
Most staying dry with clear spells, however a few light showers cropping up, particularly around northern coasts. Fresh west to northwest breezes. Minimum temperature 8 deg C (46 deg F).

Sunday:
A fine, dry and sunny day for the majority with relatively light winds. However a few light scattered showers may appear, chiefly during the afternoon. Maximum temperature 18 deg C (64 deg F).

Outlook for Monday to Wednesday:
Occasional areas of showery rain crossing from the south at times, though timings uncertain with also good periods of dry and brighter conditions between.
